## *All about Zach`s Birth Card*

*Our Birth Card is the most important symbol of who an individual is in this lifetime. It is the card that lies at the core of our being, and through which we have the greatest gifts to share with those around us. It is also called the Sun Card and the Soul Card. For most people, the Birth Card is the purpose behind whatever work they are doing. It usually is the gift that they share with the world through their work, and thus it is very important to gain an understanding of that card for each person.*

### The King of Hearts Person

The King of Hearts has an innate mastery of people. They know how to charm and heal others with their attention. They know how to be romantic and how to make others feel appreciated. However, they are also very intelligent and have a leaning towards mental pursuits that belies their hearts-orientation. Thus we often find them in technical positions or as researchers, computer consultants, and other technicians. But their main gift is people and they are always at the center of some group.

The King of Hearts can excel in business, especially as a dealer or advisor in the finances of others. They have more success in association with others or in partnerships than alone. They have better than average luck in legal matters as well. It is not wise to argue with them. Their keen minds can always find a suitable response.

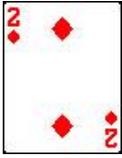

Their skills can lead them to success in most any field they choose. Some will find a calling towards the arts. Since the suit of Hearts is associated with the arts, they can find great success here too. Many famous actors, actresses and artists are King of Hearts.

### Some of the King of Hearts Issues Concerning Relationships

As a rule, the King of Hearts will be an asset to any business. They usually end up as owners of their own business or as managers of others but some will also be very content to be a part of an organization. Their charm and intelligence helps them get along with anyone they choose.

## All about Zach`s Planetary Ruling Card

*The Planetary Ruling Card acts like a second Birth Card to give a new slant on the personality and character traits of each individual. It is very important in terms of working relationships since it represents the part of each person that they identify with the most. For each person, this is the card they act out of and through, so it becomes very important in knowing the true nature of these two.*

### Two of Diamonds as Your Planetary Ruler

This ruling card gives you a lot of success with work and finances. You have an ability to find the right people to help you achieve your goals and you are not lazy. You are bound to have some very prosperous cycles in your life, much more than the average person. You have a keen and logical mind that you depend upon for much of your success. But in personal relationships, your logic is more of a hindrance than a help. An inner desire for love and affection competes with your natural ambition in work matters and it seems difficult to have satisfaction in both areas at the same time. In general, you would tend to focus more on your work, where it is easier to manage. Emotionally you have a lot of work to do. You must also watch out for some fixed principles about love or marriage that causes you to stay in bad relationships much longer than need be.

## All about Sid`s Birth Card

*Our Birth Card is the most important symbol of who an individual is in this lifetime. It is the card that lies at the core of our being, and through which we have the greatest gifts to share with those around us. It is also called the Sun Card and the Soul Card. For most people, the Birth Card is the purpose behind whatever work they are doing. It usually is the gift that they share with the world through their work, and thus it is very important to gain an understanding of that card for each person.*

### The Jack of Clubs Person

The Jack of Clubs is both mentally brilliant and fixed. Their high intelligence makes them good at what they do. Most are entrepreneurial and get lots of ideas for successful enterprises. But there are also many that work for others and contribute their creativity to their company. This is a detail person with an aggressive mind. Most any occupation involving communication, intelligence, and creativity comes easy to them. Also, there are many Jack of Clubs who have a photographic memory.

With such a powerful mind, the world is their oyster, so to speak. That, combined with an innate playfulness is probably why some Jack of Clubs get involved in illegal activities. This is not the rule by any means but definitely a possibility. For most, their creativeness just results in a fun-loving, playful person who is easy to get along with.

This is an idea person who also has the ability to finish what they start. They can be useful in many roles.

### Some of the Jack of Clubs Issues Concerning Relationships

As a high card in the suit of the mind, the Jack of Clubs can be pretty intense sometimes. This, combined with a love of debate can be intimidating for others around them. Some will be argumentative at times, especially when they are not feeling good for whatever reason. Overall they are pretty easy going. But they do not miss one detail about what is going on around them, and they are likely to comment on it.

## All about Sid`s Planetary Ruling Card

*The Planetary Ruling Card acts like a second Birth Card to give a new slant on the personality and character traits of each individual. It is very important in terms of working relationships since it represents the part of each person that they identify with the most. For each person, this is the card they act out of and through, so it becomes very important in knowing the true nature of these two.*

### Seven of Spades as Your Planetary Ruler

This ruling card adds strength to your personality and gives you a certain amount of good fortune, especially in the areas of home and family. You may feel that you have a blessed marriage or relationship, or that many good things have come from your parents. Health concerns may play a major role in your life and you may be accident-prone. The Seven of Spades encourages us to have faith in life, in spite of whatever circumstances we may find ourselves in. In this regard, you may find yourself tested many times. You are probably attracted to those of intelligence and wit and with a bit of luck, you could marry one of them. Financial security is something that will only come through hard work.

## *All about the Card Connections you share*

*Look at each connection as a link that connects each person to some part of themselves that they want to look at, develop or explore in some way. The partners in this relationship are mirrors to each other and the connections describe what they see.*

This report uses the most advanced techniques available to give some real insight into the inner workings of this association. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how these two people interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between these two serve an important purpose and contribute to the experience that they share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of it.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection in this relationship probably manifests itself at times. Therefore, regard all of them as having some important information for you.

One thing to pay attention to is whether or not the two people in this association have more than one of a certain kind of connection between them. For example, they may have a total of two or three Mars connections between them. When this is the case, it is wise to study these connections carefully, realizing that this probably indicates some of the most important reasons that these two ended up together in whatever capacity they are. It will also indicate a predominant pattern of interaction which could be the real meat of the relationship.

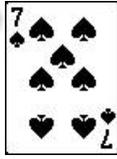

Finally, it should be stated here that there are no bad connections. If we are in a relationship with someone, regardless of the reasons, there are important reasons for this. The descriptions of the connections in this report can help you understand these two have made the choice to be together, which can in turn help them understand their individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the desire to work together is there, there are many good things for each of the two to gain from being together.

## *The First Connection Between You*

Zach

Sid

*The first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that exists in this relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for this relationship.*

Zach and Sid are Mars to each other

Location: Life Spread

This connection is probably one of, if not the most, energetic connection that any two people can have. Mars produces energy, passion and irritation. It stirs up a lot of energy that must be harnessed and put to use, or it will tend to be destructive and conflictive. In this association Zach and Sid both inspire Mars energy in each other. This serves to double and even triple the Mars energy between them. Therefore, these two will be having to deal with both the positive and negative effects of this Mars connection for the duration of their time together. With conscious awareness of what is going on, they can harness this powerful connection to accomplish many things and develop an active and enjoyable association together.

Mars connections can be very good for all physical activities, and for working together. Mars is a passionate planet, and inspires us to do things passionately. Also, this connection is one of the very best for people who work together. Working out and working together are both ways in which this powerful Martian energy can be expressed in positive ways. Many successful working relationships have at least one Mars connection between them. In the case of Zach and Sid, it is like having two or three connections in just this one.

To keep this association on the positive side, it would be better if Zach and Sid are working together to pursue a mutually sought after goal. Otherwise, the negative expressions of Mars energy will predominate. These include fighting, blame, competition, hostility, all forms of abuse, and lots of arguments. Just think of Mars as a magic genie who will grant all of your wishes with one condition - you must keep him busy. If you don't give the Mars genie something to do, then he will get mad at you and create problems.

Zach and Sid will have to take great care in this association not to allow the negative aspects of Mars to captivate too much of their attention. This much Mars energy can easily have them getting angry with each other on a frequent basis. Some people who share Mars connections are often drawn together because they have habitual patterns of blame and anger with which they

### *The First Connection Between You*

Zach

Sid

approach many of their closest associations. Mars connections give them the opportunity to work on these patterns, which can be holding them back in many areas of their life. Then again, anger towards others is usually the result of inner anger against ourselves. So, in essence, a Mars relationship acts as a catalyst to help us learn to accept ourselves and free up these antagonistic energies. But sometimes it takes years before we begin to realize that the problem is within us, and not in our partner. Getting beyond the stage of blame to the stage of self-reflection is an important step that anyone with anger issues must make. Because of this strong Mars connection, there is a good chance that both Zach and Sid have some anger issues to work on.

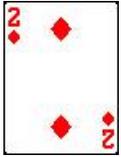

Keeping all of this in mind, Zach and Sid can use this powerful Martian force to accomplish many good things. If they are both career-minded, this energy can inspire them into productivity and accomplishment. Even if they do not share career ambitions, this energy can help them get more physically active and healthy. There are many wonderful uses for this Martian force and Zach and Sid can have a lot of fun discovering them.

Affirmation for Zach: I am aware of how much I stimulate Sid and understand his feelings because I can see how Sid stimulates, or irritates, me as well. I take full responsibility for my own anger, seeing that it resides within me first. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Sid: I accept Zach as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. This association represents a wonderful opportunity for me to release my anger and transform it into positive, creative energy that can benefit my life in many ways.

## The Second Connection Between You

Zach

Sid

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

Zach is the Jupiter Card to Sid

Location: Spiritual Spread

This connection engenders both a familiarity and shared philosophies between Zach and Sid. They will find that they have some important things in common and that being together will have a certain ease that is hard to define. They will have similar views on what is important in life. And there will be a generosity that flows between them that further enhances their compatibility.

This connection is about truth and integrity, but it is also about giving, prosperity and abundance. Sid is the one who receives most of these benefits because he is on the receiving end of this connection. Zach also benefits because giving is, in reality, another form of receiving. Zach and Sid have a natural inclination to give to each other and if this giving and receiving is allowed to grow and be appreciated, it can grow to be the most important trait of their relationship. It has the potential to fulfill many of their dreams and desires by attracting opportunities, good relationships and things into their lives. Therefore, this is a very good connection for any sort of business relationship.

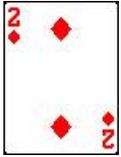

In particular it is up to Sid to stimulate this potential by practicing the art of appreciation for the many good things he shares with Zach. Appreciation is one of the magical keys to prosperity, one that could possibly unlock the door to his most cherished desires. When the natural sharing that Zach does is complimented by Sid's heartfelt and expressed appreciation, it generates a potent energy that attracts many good things into their lives.

Many people who have this connection end up quite well off financially and they seem to be 'lucky' by most standards. It is a great connection for business partners. This so-called luck is not really by chance though. It is a natural outcome of the right frame of mind. With such a fortunate connection between them, Zach and Sid have a lot going in the right direction for a happy and prosperous future. Even if it is not intentionally cultivated, this connection will definitely bring many good things into their lives.

Affirmation for Zach: I am glad to be a benefit in Sid's life and hope that I can

### The Second Connection Between You

Zach

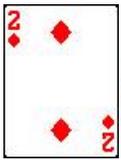

Sid

give him all that I have to give. I allow myself to express my generosity in its fullest with no expectation that Sid must act in any particular way as payment for my giving. My giving is complete in and of itself.

Affirmation for Sid: I am grateful for the presence of Zach in my life. I accept all the good things that he brings into my life and respond with appreciation and gratitude. In this way I multiply the benefits and enjoy this connection.

### The Third Connection Between You

Zach

Sid

Zach and Sid are Mars to each other

Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

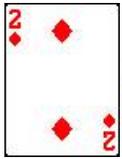

This powerful Mars connection will cause a lot of energy to be exchanged between Zach and Sid. Because it is Mars energy, the reasons and ways that it can be expressed can vary, but they are nearly always dramatic. Mars can either be expressed as passion and productive activity, or as anger and hostility. Either one or both of these sides may be expressed in this relationship between Zach and Sid and it is largely up to them as to how this connection will affect them.

There is something familiar that Zach and Sid feel about each other. It is a stimulating feeling. If both are single and available, this connection could create a strong sexual attraction that could lead to an affair or relationship. If not, these two will have to keep busy together to find a suitable outlet for this energy. This is a great connection, for example, for working situations. It is ideal for working partnerships of all kinds. However, care must be taken to not let this become too competitive. Putting Zach and Sid directly at each other in a competitive sense would probably cause more harm than good as this connection increases the likelihood that the two would become overly hostile towards each other. It would be far better for these two to work on a project together where they share a common goal or a common problem or enemy.

Regardless of how Zach and Sid are associated, they can consciously transform and use this energy to their advantage if they are willing. Mars

### *The Third Connection Between You*

Zach

Sid

relationships represent a great potential that must be consciously taken advantage of. To do this requires two things. First they must consciously engage themselves into positive activities together. Physical activity together will funnel off much of the negative part of Mars. The more shared physical exertion the better. Next, they both must be willing to work on their anger and blame, if that comes up. Beneath all anger is a fear of one kind or another. If they examine their feelings when they become angry with each other, they will be able to find the fear that lies beneath it. In the event of excess hostility, some form of self-awareness will be key to dismantling the problems. Mars in its worst aspect is blame and righteous anger and retribution. To avoid that, Zach and Sid must be as self-conscious and honest as possible. Communication skills of an interpersonal nature are invaluable.

Affirmation for Zach: I am aware of how much I stimulate Sid and understand his feelings because I can see how Sid affects me as well. I take full responsibility for my own anger, seeing that it resides within me first. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Sid: I accept Zach as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. This association represents a wonderful opportunity for me to release my anger and transform it into positive, creative energy that can benefit my life in many ways.

## The Fourth Connection Between You

Zach

Sid

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

Zach and Sid are Jupiter to each other

Location: Spiritual Spread

This connection gives nothing but good to any two people in any sort of work or business situation. It gives a sense of abundance between them that can act as a catalyst to increase their prosperity. It also says that the two have similar philosophies and beliefs along with a sense of familiar-ness that makes being together comfortable and congenial.

Zach and Sid share this unique and valuable connection. By being together in any sort of work or business relationship, many positive results manifest themselves in their lives. Zach and Sid enjoy sharing with each other in many ways as a natural expression of their association. They may exchange guidance and inspiration when it is needed and this may remind them of the similar perspectives they share about many areas of life. However, the benefits of this powerful Jupiter connection can also extend to the financial arena. Prosperity can be another wonderful element of their association that is enhanced by this connection that Zach and Sid share with each other.

This is probably they best connection for business partners to have. Many partners who have this connection end up quite well-off financially and they seem to be 'lucky' by most standards. This so-called luck is not really by chance though. It is a natural outcome of the right frame of mind. That frame of mind involves having mutual appreciation and gratitude for the abundance that this association brings into their lives. This connection enhances a sense of mutual appreciation, which in turn, will have very positive, if not dramatic, effects on their finances.

This connection will help alleviate other connections that are stressful, especially if it is one of the first four on their list. It enhances compatibility to a high degree and helps overcome deficiencies in other areas.

With such a fortunate connection between them, Zach and Sid have a lot going in the right direction for a happy and prosperous association. Even if it is not intentionally cultivated, this connection will definitely bring many good things into their lives. If they want to cultivate it to get even more benefit, all

### *The Fourth Connection Between You*

Zach

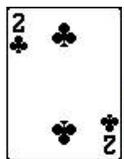

Sid

they have to do is spend more time appreciating what they have and communicating that to each other. Mutually felt and expressed appreciation is a vital ingredient in nearly all successful associations. With this wonderful connection between them, Zach and Sid should have little trouble in experiencing just how good life can be.

Affirmation for Zach: I enjoy the many wonderful things that Sid and I share together. I feel that we have a deep philosophical connection that makes me feel that we are going in the same direction. We seem to attract and manifest abundance in our life and our mutual sharing and giving is greatly appreciated by both of us.

Affirmation for Sid: I am continually thankful for the many things that this association with Zach brings into my life. It is often like a miracle, all of the good things that seem to magically come our way. I especially appreciate the sense of similar beliefs and values that are the foundation of our being together.

### *The Fifth Connection Between You*

Zach

Sid

Zach is the Mars Card to Sid

Location: Life Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

The Mars connection is one of the strongest in terms of how much it affects each of the partners. Mars is the God of War and Anger. It actually represents pure energy, but on an aggressive, passionate level. For this reason this is a great connection for people who actually do physical things together. Working partners often have this connection and it stimulates them both to achieve more and be productive. However, the negative side of Mars should also be considered as this connection can potentially cause anger and competition and in some cases make real enemies out of the two people involved.

In this relationship Sid is the one who is more affected by it. Because

## *The Fifth Connection Between You*

Zach

Sid

Zach is his Mars card, all this Mars energy is to be experienced more by him. This can translate as Zach making Sid feel stimulated, aggressive, or angry and competitive. In its best form, the Mars connection will encourage the two to become active. And if they can actively pursue common goals, it can be very constructive and rewarding. The notion of common goals becomes very important in this case. If these two are in any way situated in a potentially competitive environment, the chances of them not getting along increase rapidly. There are some situations where this competition may be a good thing but usually the effects are not positively expressed and end up as fighting, arguing or subtle forms of aggression between them.

But Sid must bear the greatest responsibility for the stimulation of this connection and how it is manifested between them. The trouble with anger and competition is that when we are experiencing it, we are completely convinced that the other person, in this case, Zach, is the cause of our problems. Rarely do angry people realize that the anger is their problem. But the truth is that it is their problem. So, according to this connection the way Sid handles the stimulation provided by Zach will determine what goes on and how this strong Mars energy is channeled.

Sid can use this information and consciously transform the often-negative effects of this Mars connection into positive directions. It is not that difficult to keep a Mars relationship healthy. It just requires some awareness and thoughtfulness. Zach can actually be a catalyst to get Sid out of his complacency and doing things. To give this powerful Mars energy something constructive to do, it is recommended that Zach and Sid do things together that are physical in some way, or at the very least, find something productive to do, some common goal to achieve, together with this energy. Some of the most successful business partners have a strong Mars connection. It helps, however, if there are not too many of them and if there are other high compatibility connections such as Jupiter, Moon and Venus.

This connection can provide a lot of the spark, fire, and magic in this relationship. If Zach and Sid use it with care, it can bring them much of what they want out of life. Any negative manifestations of this powerful energy can

### The Fifth Connection Between You

Zach

Sid

be controlled and eliminated through conscious awareness and when this is the case, it becomes like a genie in a bottle who can grant them all their wishes.

Affirmation for Zach: I am aware of how much I stimulate Sid and understand his feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Sid: I accept Zach as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. With his help, I am diffusing my own anger and channeling my energy into positive directions.

### The Sixth Connection Between You

Zach

Sid

Sid is the Cosmic Reward Card to Zach

Location: Spiritual Spread

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

This is a good connection to have for any two people, one that gives them a sense of 'rightness' about spending time or working together. In particular, it enhances their compatibility in regards to their philosophical, spiritual, religious or moral ideals. This sort of compatibility can give them the feeling that their work together is helping to fulfil a higher or greater cause. Both can feel fortunate for this association in many ways. But Zach is more likely to feel that he is helped or blessed by being in association with Sid.

This connection acts as a sort of reward for hard work done in the past, though Zach may not remember when he did that work. But from his point of view, there is likely to be a lot of appreciation for the working relationship with Sid. Other connections between them could color or alter this perception. But even so, this one will add compatibility to them and increase the likelihood of their being able to work together harmoniously.

Sid will have a natural inclination to offer assistance to Zach. There will be a natural flow of support from him to Zach, a flow that is without any expectation of return. From Zach's point of view, Sid is likely to seem as a good

### *The Sixth Connection Between You*

Zach

Sid

friend or at the very least, someone who wants to help Zach to get ahead. It is most likely that Zach will feel appreciation for Sid's assistance. If this appreciation is expressed, it increases both the power of it and the likelihood that it will happen again and again. For Zach, this could seem like a pretty ideal situation to have with someone you work with.

What is also interesting is that even though it appears that Sid will be doing most of the giving, he is not likely to feel that he is being taken advantage or, of that the association is unfair in any way. This is one case where the exchange can be truly unconditional. However, Zach's attitude could definitely enhance this situation and increase its benefits. Both parties will enjoy and benefit from it.

Affirmation for Sid: I am glad to be a supportive influence in Zach's life and hope that I can offer him things that will help him on his way. I only wish the best for him.

Affirmation for Zach: I am grateful for the presence of Sid in my life. I accept all the good things that he brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings.

## The Seventh Connection Between You

Zach

Sid

*Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read the meanings.*

Zach is the Mars Card to Sid

Location: Spiritual Spread

This is one of those 'instant recognition' connections where the parties sense that they know each other the first time they meet. This particular connection is that of the planet Mars, the God of lust and war. The undertone of this connection will be action, energy, competition, passion and aggressiveness. Martian energy is powerful and must be handled with awareness.

In particular, Zach is a strong stimulant to Sid. He will either excite him into action of some sort, make him angry, or both. Martian energy is power that must be managed and handled consciously if it is to create positive results in our lives. Therefore, Sid will have a great responsibility to channel this energy into positive activities. Some activities that are good for the positive expression of Martian energy are hiking, jogging, riding bicycles, or working out. Working together in a business is one of the best activities of all. But because of the strength of Mars energy, there are certain things that both Zach and Sid should be aware of.

Mars energy can easily turn into competition, anger, blame, resentment and in extreme cases, abuse. This occurs when there is no positive outlet for the energy of this connection. By having common goals and lots of things to do, as part of the relationship, this tendency will be lessened greatly. It would always be better for these two if they are not directly competing with each other in work, or if that competition is of a healthy kind, such as a race to see who can make the most sales.

Sid, in this relationship, bears the greater responsibility for the success of this partnership. He is the one most affected by the Mars energy, the one who is receiving it. Thus, Sid will be the first to get angry or the first to misconstrue the actions or words of Zach as being harsh or competitive in nature. If Sid can be aware of this dynamic, he can stop any angry reactions and thus avoid conflict. Sid may not even be aware that he is doing something that is irritating to Zach. This is usually the case. This Martian energy is directional in this connection and the burden is on Sid. If other connections imply the opposite then there will

### *The Seventh Connection Between You*

Zach

Sid

be an equal burden of responsibility for angry outbursts or hostility.

In conclusion, this relationship provides a powerful stimulus for both partners, even though Sid may be affected a little more since he is the one receiving most of the Mars energy. If Zach and Sid take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

Affirmation for Zach: I am aware of how much I stimulate Sid and understand his feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Sid: I accept Zach as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. With his help, I am diffusing my own anger and channeling my energy into positive directions.

### *The Eighth Connection Between You*

Zach

Sid

Sid is the Moon Card to Zach

Location: Life Spread

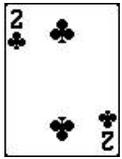

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one in many ways. When someone is our Moon card or when we are theirs, we feel very close and comfortable with them. The strength of this 'connected feeling' can make any two people with this connection feel as though they are very much alike and can work or coexist together harmoniously. As powerful as it is, however, there are certain things about it that must be understood in order to make the most of it.

First of all the Moon Card connection has a direction to it. This means that it affects both people differently and it more or less assigns roles to each of them that cannot be changed. The only thing that could change these roles is if

there were another Moon connection between them that reversed the direction of this one. The Moon Card connection is essentially based upon the Sun and Moon. The Sun gives, the Moon receives. The Sun leads, the Moon follows. The Sun is Fire, the Moon is water. For this relationship to really work, each must be willing to play the appropriate role with the other in this regard. In this particular association, Sid is a Moon Card influence to Zach. Therefore, it is Zach who must play the Sun, or leadership role in this relationship for it to be most successful.

What this means in a working relationship scenario is several things. First, Zach must lead in this association, or at least be the higher in rank or seniority. Now, this is not a fixed rule, but it is the way this connection works best. If Sid is more of a leader type, he may have difficulty with Zach's always trying to upstage him or tell him what to do. It is a natural aspect of this connection that Zach would want to direct and guide Sid. That is just how it works. This connection can work if Sid is the boss of Zach, but in this case Sid would have to be utilizing Zach for his ideas and new directions. Sid would benefit from this and so would Zach. But in this case, Zach would naturally feel like he deserves to be in the leader of Sid. At some point Zach may want to be promoted above Sid or somehow get into a higher position. You can see how this has the potential to cause some problems. Zach will always feel as though he should be the one directing, regardless of his position.

This connection can make two people the very best friends in the world or the best business partners. Zach brings fresh ideas and new insights into the life of Sid. He can bring a lot of new direction and inspiration to Sid, provided he is open to it. Likewise Sid brings a sense of stability and appreciation to Zach. He makes Zach feel supported on some level. This mutual giving and receiving is what makes this connection so special.

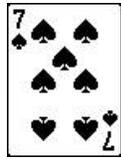

This connection can be found among some of the most successful partnerships in the world. However, what would happen if Sid or Zach do not wish to play these roles? For example, what if Sid wanted to be the leader of this relationship and direct their activities together? What if he just didn't want to play the supportive role? Or what if Zach did not have any clear direction or

didn't want to be the leader? In this case, this association could take on one of many forms, but disharmony would exist between them that would ultimately drive them apart. There can also be a lot of bickering and competition between people with this connection if they are resisting the natural flow of the energy, much like siblings who are jealous over their parents' affections.

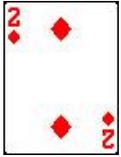

However, in most cases the Moon connection makes for a close and strong friendship that can benefit Sid and Zach in many ways. It adds a great deal to their overall compatibility and gives them a real reason to work well together.

Affirmation for Sid: I am very grateful for Zach's presence in my life. He is a breath of fresh air that is always bringing me new and interesting things. I enjoy our communication and enjoy being a supportive influence to Zach.

Affirmation for Zach: I am grateful for the presence of Sid in my life. I feel that I have found a person to work with that supports me in the directions that I feel are important in my life. I enjoy sharing my insights with him and I appreciate all the wonderful things that he does for me as well as our easy and natural communication.

Sid is the Saturn Card to Zach

Location: Life Spread

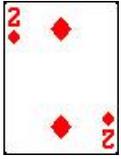

This connection is one that only works well in special situations. In general, it causes so much disharmony that two people cannot work or interact well together without conflict. Saturn has traditionally been known as the planet of hardship, coldness and difficulties of all kinds. And in fact there are some Saturn associations in which these qualities predominate. However, there are many Saturn relationships that have other qualities, and in these we see the more positive aspects of Saturn's influence. We cannot predict exactly how this relationship between Sid and Zach will be affected by this connection because that will depend upon how consciously they choose to apply the energy of this connection. It can be very constructive or it can be difficult and depressing. So, here we will define some of the qualities more specifically so that it can be understood fully.

In this relationship Zach has somehow chosen Sid to be his teacher. Though this may not have been a completely conscious choice, it is true just the same. Sid, being Zach's Saturn Card, will experience a natural inclination to help Zach by making suggestions for improving his life, career, or situation. Just having Sid in his life is a reminder to Zach of things he needs to do in order to make his life better than it is. A Saturn person teaches us how to be more responsible, grown-up, practical, disciplined, conscientious and fair. They will help us to become more aware of how our words and actions affect those around us. These lessons can result in Zach becoming more successful in his work, especially if he has strong career aspirations or goals of things he wants to attain. On some level, Sid is a father figure to his and indeed he may remind Zach of his father in many ways.

Taken with a positive attitude, Zach may make great progress in his life by the presence of Sid. The closer this connection is to being the first connection in this relationship, the more important this association is for Zach in terms of what he needs to learn. The best possible attitude would be where Zach acknowledges Sid as his teacher or guide. Not that he needs to give up his

own thoughts or beliefs to Sid, but just that there are probably things that he can learn from him. One thing that our Saturn Card person can always do for us is show us our mistakes, shortcomings and other faults. If we seek to perfect ourselves and improve ourselves, this awareness of theirs can be very helpful. But, if we are not seeking this sort of help, a Saturn person in our life can seem to be a problem, or worse.

The most positive Saturn relationships are those that help the partner achieve their dreams by aligning them with the hows and how-to's of success in the world. A Saturn associate can provide us with direction, understanding, coaching and wisdom - all of which can help us achieve our goals. The Saturn person can handle us. They can put us in our place, where other people may be unable to do so. Therefore we can develop a lot of trust and respect in them. And sometimes that is just what we need, someone to show us the boundaries and discipline us a little. If Zach is, or was, strongly attracted to work with Sid, then this is very likely the case.

Affirmation for Sid: I understand that I have the ability to see all of Zach's faults and shortcomings and share suggestions with him compassionately and with the awareness that I have a powerful effect on him.

Affirmation for Zach: I realize that I chose this association with Sid to help me grow in important areas of my life. With that in mind, I accept his suggestions so that I may learn and make progress in becoming a successful and happy person.

People who share this connection usually have an instant liking for each other when they meet. This is one of the highest compatibility connections found and guarantees that even though Zach and Sid may have many differences in their personalities and characters, they will still probably really like each other and have a lot of ease in working together. They could even become friends outside of work very easily.

In this connection, Sid is affected by it stronger. He will find that he feels very comfortable with Zach, tends to trust and him, and can work with him harmoniously without much effort. The level of trust engendered by this connection is a great help to working partnerships or any other sort of working association. Both Zach and Sid will have similar feelings towards each other as a result of this connection.
