Relationship Report for Zach and Jessica

How to get the most from this Relationship Report

The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

All about Zach`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The King of Hearts Person

The Father Card

Standing at the top of the suit of love, the King of Hearts recognizes that love is the highest power of all. These people make devoted parents, but not always the best spouses. Their devotion to their children and profession often displaces the love they would give their spouse. They do love everyone, forever, its true, but sometimes the wrong associations bring problems. They should be careful of mixing with people with lower motives and lifestyles in this regard.

These people can be overbearing, as all Kings can, but this is only the case when they have been betrayed by those they hold closest to their hearts. From past lives, they bring with them the knowledge of mastery of their emotions and of their family life. Consider yourself blessed if they consider you to be one of their 'family'.

The King of Hearts can excel in business, especially as a dealer or advisor in the finances of others. They have more success in association with others or in partnerships than alone. They have better than average luck in legal matters as well. It is not wise to argue with them. Their keen minds can always find a suitable response.

There are inevitable losses of loved ones in their lives but they know the truth and can let go though they still feel the pain. Many of them are mentally gifted and sometimes psychic. Much knowledge just flows to them and they use this to rise up to the top in their careers.

Some of the King of Hearts Issues Concerning Relationships

Many say that the King of Hearts makes a great lover and father but a lousy husband. As in all the Kings, the power can be used or abused. They are the 'Kings of Charm'. So, we find as many 'playboys' among them as in the case of the Eight of Hearts. The women have a problem in that they are so powerful

All about Zach`s Birth Card

and headstrong. They can usually stand up to any man and they would like to be the head of their household. This can be difficult for a male partner to deal with. When the female King of Hearts is upset, she can be very sharp tongued and all her mental power will be turned against you.

Their pattern indicates that there will be some fated relationships that occur to reflect back to them their own indecisive nature and the consequences of it.

All about Zach`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Two of Diamonds as Your Planetary Ruler

This ruling card gives you a lot of success with work and finances. You have an ability to find the right people to help you achieve your goals and you are not lazy. You are bound to have some very prosperous cycles in your life, much more than the average person. You have a keen and logical mind that you depend upon for much of your success. But in personal relationships, your logic is more of a hindrance than a help. An inner desire for love and affection competes with your natural ambition in work matters and it seems difficult to have satisfaction in both areas at the same time. In general, you would tend to focus more on your work, where it is easier to manage. Emotionally you have a lot of work to do. You must also watch out for some fixed principles about love or marriage that causes you to stay in bad relationships much longer than need be.

All about Jessica`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Queen of Clubs Person

The Mother of Intuition Card

All Queens are service oriented and receptive in nature. The mental nature of clubs inclines the Queen of Clubs to deal in the publishing trade, secretarial work, or among the more aware ones, psychic work. Being Queens, they are always aware of their place in the royal court and resist anyone trying to mold them in any way. Their displaced card, the Three of Hearts, as well as the Five of Clubs in their Venus position, tells us that indecision about love and friendship makes it hard for them to find lasting happiness in these areas. Their mental gifts are abundant and whether or not they realize it, they are always receiving knowledge from the 'other side'. These people have incredible organizational minds but live life at such a high pitch that they are often stressed out or overdoing it.

The Ace of Spades in Jupiter promises many rewards if and when they follow spiritual or psychic lines of work or pursuits. They have a deep heritage of knowledge from past lives that is always available. The Queen of Clubs is also known as the 'Mother Mary' card and many of them have one or more 'children' for whom they must make sacrifices in their life just as the Virgin Mary had to undergo the sacrifice of her son Jesus.

The Queen of Clubs often has two jobs and does best where there is some creative expression and freedom of movement. They are proud and do their jobs well.

Some of the Queen of Clubs Issues Concerning Relationships

Though many Queen of Clubs get married, not all of them are happy about it or make a success of it. These people have powerful minds and wills and not many partners can handle them and their willful ways. They also carry with them the karmic seeds for one or more difficult relationships that will be brought into fruition at some point in their life. For this reason, many of them

All about Jessica`s Birth Card

try marriage once and then renounce it for the rest of their life. Some of them change their mind a lot about what they want as well. This can make their partners feel very insecure about their love and thus create separation. They operate on higher frequencies and thus their partner must have some mental ability and communications skills to make it work. There is a certain amount of indecision emotionally as well that adds to the challenges they have to deal with each time they fall in love.

One of their biggest challenges is to let their loved ones be themselves without trying to change them. Letting go of personal attachments can be difficult for someone who shies away from the feeling side of their natures.

All about Jessica`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Ten of Spades as Your Planetary Ruler

This ruling card tends to make you a person who goes to extremes at times. When you get into something, you really get into it. You can be a workaholic and probably feel somewhat burdened by your work a lot of the time. You also have some desires for a settled and satisfying family life that may seem to compete with your ambitions at work. You do have the ability to take on enormous amounts of work and get it done and you can harness energy that few others could in the same situation. You desire to be known for something, for something you have done or created, and you will work like crazy until you achieve it. There are probably uncertainties surrounding your intimate relationships which could add to your inner conflict between love and work.

All about the Love Connections you share

Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

The First Connection Between You

Zach

Jessica

Zach and Jessica are Venus to each other

Location: Life Spread

Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.

This is one of the better connections for any sort of relationship and guarantees a certain amount of compatibility between Zach and Jessica. The closer this connection is to being first, the stronger is the compatibility factor that is enhanced by this connection. In essence, this connection tells us that Zach and Jessica share many of the same likes and dislikes. This means that they have a lot in common and makes it relatively easy for them to be together. As a matter of fact, this connection is not common. Couples who have it are blessed and probably each have some good karma from a past life to account for meeting someone with whom they share this connection. Zach and Jessica have a lot to be thankful for, especially in each other.

This is a mutual connection which is wonderful because the friendship and loving energy of Venus is flowing both ways between Zach and Jessica. Each receives good feelings from the other while at the same time having good feelings of their own about the other. It is sort of like a love generator. Even if this connection is not one of the first ones between them, it will add a definite amount of ease and mutual appreciation to their relationship. So, regardless of what other connections they may have together, we know that there are things that they have in common. If they realize this, they can use this information to great benefit. Whenever they get into disagreements or conflicts, all they need to do is remember all the things that they have in common and focus some of their attention on them. This 'shifting of their awareness' can be used to mend many fences that may come between them.

It is highly likely that Zach and Jessica have much in common in everyday terms. They probably enjoy the same kind of music, recreation, television shows and other forms of entertainment. Venus is a pleasure planet. With such a strong Venus connection, it is very likely that Zach and Jessica enjoy the same things. Of course, sex falls into this category as well. The Venus connection is often found among couples who are very sexually compatible. It doesn't have the passionate attraction of a Mars connection, but it definitely makes the sexual

The First Connection Between You

Zach

Jessica

experience a pleasant one for both partners. Combined with a Mars connection gives us one of the best sexual/romantic combinations. There can be exceptions of course, but these are the usual indications, and they are very good in all respects.

So, just what will Zach and Jessica do with a relationship that has 'double blessings'? The foundation is there to create most anything that they want. The rest is entirely up to them.

Affirmation for Zach: I truly appreciate having a partner with whom I have so much in common. Jessica is someone I could spend the rest of my life with because it is so easy to be with her.

Affirmation for Jessica: Life with Zach is very comfortable and easy on many levels. I am grateful for the many things we share and have in common.

The Second Connection Between You

Zach

Jessica

Location: Spiritual Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is one of the truly blessed connections. What it implies first of all, is that Zach and Jessica were together in a meaningful way in a former lifetime. During that lifetime, they were in a significant relationship. It may or may not have been marriage. It could have been best friends, father/son, mother/son, mother/daughter, etc. The important thing is that Zach and Jessica were very close in that lifetime and spent a lot of time together. Over the course of their relationship, they met with many challenges and overcame them with love, patience and perseverance. They developed a deep love for each other by having shared so much. This lifetime together created much good karma in the area of relationship because each of them made sacrifices for each other and loved each other with a high degree of integrity and commitment.

As a result, when they first met in this lifetime, they recognized a certain

The Second Connection Between You

Zach

Jessica

familiarity and also noted the ease of being together. Though they are unable to remember their previous life together, the feelings remain for each other on a soul level. When they engage in a relationship in this lifetime, they find that many of the elements that most couples have to earn by being together, such as trust and appreciation for each other, are already present for them. In essence, they already have a good foundation upon which to build any sort of relationship.

This connection is one of the 'love at first sight' connections. But this one is even better than most because it is a mutual connection. Mutual means that both people experience the influence equally. This has the effect of doubling the influence, and in this case, the influence is very favorable to begin with. Zach and Jessica will find that this relationship is fairly easy, unless other connections strongly contradict. If this connection is between their Birth Cards, the compatibility between them is guaranteed. Having a lot of compatibility is not, however, a guarantee that the relationship itself will work. There are far too many other factors that influence the outcome of relationships for any connection to make that guarantee. However, love is definitely there, and in great abundance.

As a result of this connection, Zach and Jessica already have a great deal of mutual respect, appreciation and good feelings for each other. In some cases, these feelings may be hard to explain because the two people involved may not actually have a lot in common. This connection can help show Zach and Jessica just how love can overcome all differences. It is the most powerful force in the universe. There are cases, however, where two people with this connection just cannot be together in this lifetime. The differences in their lifestyle, or life direction are so great that one of them would have to give up too much to make it work. The love is there, along with the understanding that this relationship wasn't meant to happen in this lifetime, or perhaps it will happen later in this lifetime after each has fulfilled some important work they are doing. The love between Zach and Jessica will remain with them forever - through this lifetime and on into the future. That may be why so many people with this connection feel that they are soul mates. But the truth is that we have these connections

The Second Connection Between You

Zach

Jessica

with many people, but we will probably only choose to stay with one. Hopefully Zach and Jessica have enough in common that this will be the case for them. If they only focus on the love they have for each other, everything will work itself out in the best way possible for all concerned. Zach and Jessica are blessed to have this experience. Just meeting each other could transform their lives.

Affirmation for Zach: With Jessica, I experience a love that is true and timeless. I am learning that love transcends all boundaries that exist between people and am gratified by being with her. I am truly grateful for this special relationship and consciously choose to expand this love we share so deeply.

Affirmation for Jessica: There is a love I feel for Zach that is hard to explain, and yet feels so right. I appreciate his presence in my life and welcome the opportunity to be together and experience this love we share.

The Third Connection Between You

Zach

Jessica

Zach is the Mars Card to Jessica

Location: Spiritual Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is one of those 'instant recognition', past-life connections that is responsible for many marriages and friendships. This connection tells us that Zach and Jessica have shared some past lives together. In one of those lifetimes they developed a strong Martian energy between them, which in this lifetime seeks resolution. Now, in this lifetime, there is a strong likelihood that Zach and Jessica will feel some sort of familiarity when they meet, and there could be a strong attraction that draws them together. Martian energy is either passionate and aggressive or competitive and hostile. Often it is a curious mixture of the passion and hostile energies.

In particular, Zach is a strong stimulant to Jessica. He will either excite her, make her angry or both. Martian energy is power that must be managed and

The Third Connection Between You

Zach

Jessica

handled consciously if it is to create positive results in our lives. Therefore, Jessica will have a great responsibility to channel this energy into positive activities. Lovemaking is a wonderful outlet for this energy and there is no doubt that passion exists for this couple. In many cases, this connection exists between a couple who had unfulfilled passion for each other from the past life in question. It was an unconsummated love that for whatever reason, was never allowed to run full circle. Now, when they meet in this lifetime, the passion is right there, as if it had just been waiting for them to meet to be realized. 'Lust at first sight' might describe it quite well.

But there is an equal possibility that Zach and Jessica were involved in some other sort of relationship in that lifetime which resulted in unresolved feelings of anger or hostility. If this is the case, the two of them will have to work on correcting this because any hostility we feel for another will have to eventually be transformed into love. Other connections between Zach and Jessica may reveal whether or not this is the case. But they will probably already know the answer to this question from their personal feelings about each other.

Regardless of the reason for their getting together, in the here and now they will have to come up with a formula to deal with this Mars energy they share. One of the most positive outlets for this energy is to work together. As a matter of fact, most of the couples who have successful working and romantic relationships have one or more strong Mars connections between them. Working together provides a wonderful outlet for all those Martian energies. The energy becomes a blessing in their relationship, inspiring them to be productive and to 'get going'. Other good things to do with Mars energy is to get outside and walk, hike, ride bicycles, jog, and other forms of shared physical exertion. Zach and Jessica will find that engaging in these kinds of activities always brings them closer together and funnels off the competitive and aggressive energies into positive pursuits.

When there are Mars connections, regardless of what else exists between two people, we know that there are some anger issues to work on in the context of their being together. In this relationship, Jessica is probably the one who

The Third Connection Between You

Zach

Jessica

allows Zach to anger her. Because Zach is her Mars Card, she is the one who is reacting to Zach as a Mars influence. She also bears the greater responsibility for this anger or competitiveness when it comes up. The trick to dealing with anger issues effectively is to realize that rarely do people do or say things to make us mad on purpose. It is often our interpretation of their actions or words that makes us angry. This is the challenge for Jessica and she probably chose Zach to have the opportunity to work on this.

In conclusion, this relationship provides a powerful stimulus for both partners, even though Jessica may be affected a little more since she is the one receiving most of the Mars energy. If Zach and Jessica take this energy and put it to work they can benefit from the constructive activities it inspires. They probably were attracted to each other because on some level they wanted to get their lives going in a positive direction. With so much energy at their disposal, there is much they can accomplish, as long as they keep it well-managed and directed.

Affirmation for Zach: I am aware of how much I stimulate Jessica and understand her feelings. With this awareness I consciously guide my actions and help us both by encouraging positive outlets for this powerful energy we share.

Affirmation for Jessica: I accept Zach as a powerful stimulus in my life and choose to take responsibility for my own emotional reactions to him. With his help, I am diffusing my own anger and channeling my energy into positive directions.

The Fourth Connection Between You

Zach

Jessica

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Jessica is the Jupiter Card to Zach

Location: Spiritual Spread

This is one of the past-life or 'earned' connections, and it happens to be one of the better ones in terms of what it brings into the lives of Jessica and Zach. This particular connection indicates that Jessica and Zach shared a past life where they held the same spiritual or philosophical views. There is a strong possibility that during that lifetime, these philosophies and beliefs were a major theme in their life. Perhaps they were members of a religious group, or somehow entered into a life of spiritual disciplines and study. This lifetime had a powerful and enlightening influence upon both of them, revealing many truths about life and the laws of the universe that they still draw upon for guidance and direction.

Now that they have found each other, Jessica and Zach are reminded of the connection they once had. By being together, many positive results are manifesting in their lives. Jessica enjoys being the giver in this relationship and she will give everything that she can to Zach as a natural expression of her love for him. She will provide guidance and inspiration when it is needed and will act as a reminder of the high level of truth and integrity that they once shared.

This connection is about truth and integrity, but it is also about giving, prosperity and abundance. Zach is the one who receives most of these benefits because he is on the receiving end of this connection. Jessica also benefits because giving is in reality another form of receiving. Jessica and Zach have a natural inclination to give to each other and if this giving and receiving is allowed to grow and be appreciated, it can grow into one of the most important cornerstones of their relationship. It has the potential to fulfill many of their dreams and desires by attracting opportunities, good relationships and things into their lives.

In particular it is up to Zach to stimulate this potential by practicing the art of appreciation for the many good things he shares with Jessica. Appreciation is one of the magical keys to prosperity, one that could unlock the door to his most cherished desires. When the natural giving that Jessica does is

The Fourth Connection Between You

Zach

Jessica

complimented by Zach's felt and expressed appreciation, it generates a potent energy that attracts many good things into their lives.

Many couples who have this connection end up quite well off financially and they seem to be 'lucky' by most standards. This so-called luck is not really by chance though. It is a natural outcome of the right frame of mind. With such a fortunate connection between them, Jessica and Zach have a lot going in the right direction for a happy and prosperous future. Even if it is not intentionally cultivated, this connection will definitely bring many good things into their lives.

Affirmation for Jessica: I am glad to be a blessing in Zach's life and hope that I can give him all that I have to give. I allow myself to express my generosity in its fullest with no expectation that Zach must act in any particular way as payment for my giving. My giving is complete in and of itself.

Affirmation for Zach: I am grateful for the presence of Jessica in my life. I accept all the good things that she brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings and transform our relationship into a powerful force for prosperity, peace and abundance.

The Fifth Connection Between You

Zach

Jessica

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Jessica is the Venus Card to Zach

Location: Life Spread

This is a wonderful connection for any kind of relationship and guarantees that Jessica and Zach can be good friends at the very least. The fact is that they both have a lot in common. This gives them many things that they can share and do together. It is a wonderful sign of compatibility and adds a lot to the potential of this relationship to be successful.

In particular, Zach just adores Jessica. Even though he may get mad at her at times or irritated by things she does or says, there is an underlying current of love that is always there that Zach can tap into and experience at any time. This essential compatibility helps them be 'friends first, everything else second' in their relationship. This 'friends first' attitude will help them when conflicts arise. It will allow them to let go of personal demands in order to be a friend to their partner. This can have a powerful positive effect on the relationship and allow them to resolve difficulties in a relatively short amount of time.

It is also very likely that Jessica and Zach have a similar, if not the very same, set of values. This means that they give importance to similar things in life. They may have similar life goals or directions, or merely like the same kinds of pleasures.

This is also a pleasure aspect. Sexually, Jessica and Zach should be very compatible. They will enjoy similar experiences and have similar likes and dislikes. This makes their time together more enjoyable and gives them many options and possibilities of things to do together.

Put all of this together and we can see that Jessica and Zach have very good chances of success as a couple. Unless other connections between them conflict heavily, this one connection alone can be a guarantee of high compatibility. To get the most out of this connection, Jessica and Zach only need to remind themselves from time to time of all the wonderful things they share and focus on those things.

Affirmation for Jessica: I love being with Zach, with whom I have so much in

The Fifth Connection Between You

common, and enjoy being appreciated so much by him. I think we could spend our entire life together.

Affirmation for Zach: I appreciate all that Jessica and I have in common. It is the many things that we share that make our life together so enjoyable. I tell Jessica just how grateful I am for her presence in my life.

The Sixth Connection Between You

Zach

Jessica

Zach is the Saturn Card to Jessica

Location: Life Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Saturn has traditionally been known as the planet of hardship, coldness and difficulties of all kinds. And in fact there are some Saturn relationships in which these qualities predominate. However, there are many Saturn relationships that have other qualities, and in these we see the more positive aspects of Saturn's influence. We cannot predict exactly how this relationship between Zach and Jessica will be affected by this connection because that will depend upon how consciously they choose to apply the energy of this connection. It can be very constructive or it can be difficult and depressing. So, here we will define some of the qualities more specifically so that it can be understood fully.

In this relationship Jessica has somehow chosen Zach to be her teacher. Though this may not have been a completely conscious choice, it is so just the same. Zach, being her Saturn Card, will experience a natural inclination to help Jessica by making suggestions for improving her life or career. Just having Zach in her life is a reminder to Jessica of things she needs to do in order to make her life better than it is. A Saturn person teaches us how to be more responsible, grown-up, practical, disciplined, conscientious and fair. They will help us to become more aware of how our words and actions affect those around us. These lessons can result in Jessica becoming more successful in her work, especially if she has strong career aspirations or goals of things she wants

The Sixth Connection Between You

Zach

Jessica

to attain. On some level, Zach is a father figure to her and indeed he may remind Jessica of her father in many ways.

Taken with a positive attitude, Jessica may make great progress in her life by the presence of Zach. The closer this connection is to being the first connection in this relationship, the more important this relationship is for Jessica in terms of what she needs to learn. The best possible attitude would be where Jessica acknowledges Zach as her teacher. Not that she needs to give up her own thoughts or beliefs to Zach, but just that there are probably things that she can learn from him.

In extreme cases a person that is Saturn to us can be abusive. The other side of that coin is a person who inwardly hates who they are so much that they secretly desire to be abused, just as much as they abuse themselves already. In these cases, the Saturn person will be the mirror of our own self-hate and disrespect. Indeed, in these cases, the Saturn person is abusive, verbally and otherwise. The key then, is 'When do we stop being abused by the Saturn person?', or 'When do we start loving ourselves enough to attract someone more loving and considerate?' Our relationships are always a key to find out how we treat ourselves. We invariably choose someone who mirrors the way we feel about our self. Jessica would do well to reflect on this if she finds Zach exhibiting any of the abusive forms of this Saturn energy.

The most positive Saturn relationships are those that help the partner achieve their dreams by aligning them with the hows and how-to's of success in the world. A Saturn partner can provide us with direction, understanding, coaching and wisdom - all of which can help us achieve our goals. The Saturn person can handle us. They can put us in our place, where other people may be unable to do so. Therefore we can develop a lot of trust and respect in them. And sometimes that is just what we need, someone to show us the boundaries and discipline us a little. If Jessica is, or was, strongly attracted to Zach, then this is very likely the case.

Affirmation for Zach: I understand that I have the ability to see all of Jessica's faults and shortcomings and share suggestions with her lovingly and with the

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

From a past life of being together, Zach has returned to Jessica in order to play an important role in her life. This role will help her find herself and her life's work if she is looking for these answers. This represents a karmic debt that Zach must repay in order to fulfill his own aspirations. Somehow, Zach will be able to help Jessica realize her highest potential. At the least, Zach's presence in her life will act as a sign to point her in the right direction, a direction where Jessica may fulfill her obligation to the world and make a valuable contribution through her efforts.

On a personal level, this connection has little, if any, influence. It may not affect the feelings they have for each other unless the subject of Jessica's most important issues revolve around her purpose and career. In that case, Zach may find himself reminding her of how she can improve herself, or of what things she can do to get more success in the areas to which she is striving. If this happens, Jessica may react with gratitude or with resistance, and this could play an impact on just how they get along with each other. The more important these issues are for Jessica, the more this connection will affect the relationship. But, in most cases, the reminder is more of a subtle nature, and doesn't manifest in any sort of personal confrontation between the partners.

To the degree that Jessica is aware of her own personal need to play some important role in her life, she will find Zach to be a helpful influence in this

regard. He may even be doing the kind of work that she is wanting to do, or is destined to do. They may be able to share this work. In other cases, Jessica may not be career-minded at all and Zach merely serves to remind her of characteristics that will help her fulfill whatever roles she is playing in her life more effectively. There is definitely an implied student/teacher relationship here, though it is not necessary for either Zach or Jessica to be aware of it. However, Zach's presence is a lesson to Jessica on some level and the more she is aware of this, and then acts upon what she is receiving from him, the sooner Jessica will elevate herself in respect to whatever roles she is playing in her life.

Affirmation for Zach: My awareness of how I am a reminder to Jessica of how she can make a valuable contribution in this world reminds me that I am an important influence in her life. I wish only the best for her and hope that my influence is a positive one in her life.

Affirmation for Jessica: I am grateful for the presence of Zach in my life. He reminds me of what I can do and become in a way that inspires me to my highest potential.

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

The first and foremost meaning to a Uranus connection is friendship. The second word that we must also use to describe it is freedom. Often, relationships can conflict with either friendship or freedom. But in this relationship, Jessica and Zach have the opportunity to experience both freedom and friendship, qualities that are extremely valuable and sometimes difficult to achieve in an intimate relationship where personal needs become so important. This can truly be a relationship of the future, where both Jessica and Zach respect each other's differences and allow each other the space and time to pursue their individual goals and aspirations, and yet value the time they spend together.

In this particular relationship, Zach is on the receiving end of most of the Uranian/Aquarian energies. This means that he is the one who will most likely have to let go of any personal needs to have Jessica behave in any sort of manner. When someone is our Uranus Card, we may often feel uncertain about them - whether or not they love us, will stay with us, or can be counted on to be there when we need them. Uranus does not support having many expectations of our partner. If Zach is someone who requires a lot of hand holding, or who

has many insecurities about being abandoned in a love relationship, Jessica will be a real test for him. Even though it probably will not be intentional, she will do things unexpectedly, come and go as she pleases, or act in other ways that could make Zach feel afraid. As a matter of fact, Zach may have been attracted to Jessica for her fun-loving, free nature. This is probably because Zach would like to experience more freedom in his love life as well. So, this relationship could be a challenge for him and help him to learn to let go and trust in love.

In other cases, Uranian relationships are just true friendships. Both partners have their own jobs or professions, they share time together but also give each other plenty of space to pursue their own hobbies and goals. Some couples really like this kind of relationship and it fits them very well. But sometimes relationships start out this way and then later, the needs or values of one or both of the partners changes. When this happens, one of the partners may comment that they have very little in common with their partner, or that they rarely spend any time together.

So, exactly how this relationship develops will depend a lot on what both Jessica and Zach want from their being together. This will be especially important for Zach since he is on the receiving end of the Uranian energies of this connection. If this connection is among the first three between Jessica and Zach, we can expect this to be even more important since then we know that freedom and friendship are probably some of the most important issues to be addressed.

Jessica and Zach will be happy to know that this connection has very high potential value. The ideal of the Aquarian relationship is a very high form of love that is unconditional and real. If they are able to manifest this unconditional love between them, they will have the opportunity to experience transformation of their own personalities as well.

Affirmation for Jessica: I realize the powerful effect I have on Zach. Though I will never allow him to control me or dictate my actions, I will express my love to him so that he knows that I really care.

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This connection produces a sort of 'fated' quality to relationships. Because of a past life of being together, Jessica and Zach may feel drawn together by some unexplainable force, in order to complete some issues they left unresolved in that former time together. Essentially, there was unfinished business in which Jessica was a catalyst for Zach's transformation on a deep level. In this lifetime this business may have a chance to be completed if both partners are aware of this connection and its implications.

Jessica represents certain qualities or characteristics that are a part of Zach's personal transformation in this lifetime. She may challenge Zach at times, making him feel confronted or even threatened. This may or may not be intentional because in Pluto relationships merely the presence of the Pluto person is enough to effect a lot of change in the other person. Each of us has a Pluto Card that represents an important area in our life where we need to die and be reborn in some way. It represents something or things that we need to let go of or change in order to progress to the next step in our evolution. Someone who is our Pluto Card will in some way remind us of this change we need to make and at the same time, act as a catalyst to get that change happening.

Zach may feel that there are qualities about Jessica that he wants for himself. She may do things or have qualities that Zach would like to do or have. Indeed, he may have attracted Jessica to encourage these things within himself. However, we know that Zach will have to make some fundamental changes in himself if he is ever to have these qualities or things. That means that he must

do things differently in his life. Jessica will remind him of this and he may not always appreciate this reminder. Even though Zach may realize that Jessica is playing an invaluable role in his life in helping him to change, he may resist this change at times. Sometimes Pluto acts as an unrelenting force that keeps confronting us over and over again. When this is the case, we may feel like a caged animal and lash out at anyone who appears to be coming at us. This can be the case with Zach and Jessica, but this usually only happens in extreme cases.

If Zach is aware of Jessica's role as defined by this connection, he can use this valuable connection to effect great and wonderful changes in his life. This can be the most valuable relationship of his life and help Zach achieve his dreams and ambitions.

Affirmation for Jessica: I realize the unusual role that I play in Zach's life and consciously direct my thoughts, words and deeds to perform this role in a loving and compassionate manner. I am inspired by the work he is doing on himself.

Affirmation for Zach: I accept Jessica as a catalyst for my own personal transformation. I consciously apply myself to my inner work while being grateful for Jessica's presence in my life. With her, my transformation is accelerated many times over. I accept this change as my own personal responsibility.
