## *About Your Find Money Report*

The following report will tell you when you are likely to have financial success in the coming years. This report has collected every instance of a favorable influence and compiled that into a report for you to read and use for planning purposes. In general, you should plan for financial expansion when you have favorable influences present. It is important to keep a few things in mind, however.

1. Financial success is always relative.

What is great money to you may be not so much to someone else. Good money cards in your spreads mean whatever is good money to you. Your influences are always relative to what your norms are in your life. If you are on a fixed income, a millionaire's card will only bring you a few extra dollars.

2. Your basic money karma is always the most important factor.

If you have a poor relationship with money, you will tend to put yourself in a poverty condition, regardless of what influences appear in your life. To really get money flowing you have to unblock it. If you think this is your case, get a copy of *The Big Money Book* on my web site, [www.7thunders.com](http://www.7thunders.com), found under 'Other Books.'

3. What to do when you see good money cards coming up.

When you see cards with strength values of 7 and above you should plan to take advantage of these influences. Create more ways for people to give you money for your products or services. Be ready to receive the abundance that is coming by creating a situation where money can come in, both in larger amounts, and from more people.

### How to Read this Report

The influences found are listed in start date order starting at the beginning of the time period specified. The start date of any influence is shown, along with how many days that influence is in effect.

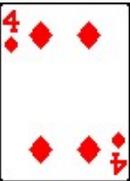

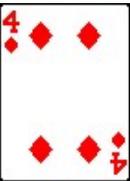

The Power of any influence is shown in the next column. The numbers range from 1 to 10, with 10 being the strongest influence possible. You should pay attention to any influence over 7 in the Power category since those are likely to give the strongest results.

The position and card found are listed next, for those who want to research these influences more. And finally, a brief interpretation of each influence is given.

## *About Your Find Success Report*

This report gathers all the favorable influences for business and other success and compiles them into an easy to read report for your use in planning ahead. Keep in mind that these success influences deal mostly with popularity, reputation, acknowledgement, promotions and the successful completion of goals.

This is not at all confined to business or financial success, but reflects success on all levels and areas. Many of these areas involve success with the public or people in a one on one basis, which may or may not actually be useful in your particular situation. Some of these can be used for more success in love relationships, as well as business and other relationships.

Many of the influences are simply about having a successful conclusion to a major project or goal. Eights, in particular, are great indicators of these, though Tens and Kings can also represent this.

When strong success influences are present, this is the time to safely engage in new enterprises or to expand the scope of your existing projects. Be prepared and have something in place just as these fortunate periods begin, to see the magic work wonders in your life.
